To whom this may concern,

As the Director of Chi SquareX Technologies that provides Machine Learning and AI Solutions to Clients all across the globe, I, Gayatri Pawate would like to confirm that Arun Sanganal has worked as a Machine Learning Developer from 1-10-2022 to 1-3-2022 under the supervision of Aditya Girish Pawate, at Chi SquareX Technologies. We had the pleasure of working with Arun Sanganal at our company and believe he would make a fantastic addition to any team he would work in!

Our evaluations team conducts a rigorous screening process to select top Machine Learning Developers from beginning. He has managed to work well in our team and gain insight to our professional and academic experience. He has worked on challenging Machine Learning problems and tackled it with ease.

He has the tenacity and diligence to succeed as a world leader, innovator, and global advocate, and it is with them that we give you our highest recommendation

Best Regards,

Mrs Gayatri Pawate
